Dear (Family Name):

Thank you for contacting Florida Hospital Nicholson Center (NCSA) to request a letter of invitation to the World Robotic Gynecology Congress, March 25-27, 2012 in Orlando, Florida, USA. This meeting is expected to attract more than 400 national and international physicians and professionals to hear presentations from distinguished academicians, clinicians and scientific investigators in the field of gynecologic robotic endoscopy.

Because of your interest in gynecologic robotic endoscopy, you are invited to attend this meeting, at your own expense. Registration for the meeting is available online at www.wrgcus.com.

For further information, please contact Sheri Brammer at 407-303-4033 or by email at Sheri.Brammer@flhosp.org.

We are excited about the congress and hope that you will be able to join us on March 25-27, 2012.

Sincerely,

Arnold P. Advincula, MD, FACOG, FACS
Scientific Chair
Professor, University of Central Florida College of Medicine
Medical Director, Gynecologic Robotic Surgery Program, Florida Hospital-Celebration
Director, AAGL/SRS Minimally Invasive Surgery Fellowship
Medical Director, Celebration Health Endometriosis Center
